FutureStaff is the talent search experts for the financial and business services industry.

FutureStaff offer a comprehensive recruitment service that is flexible to meet the needs of your organisation. FutureStaff's consultancy may be all-inclusive or for defined recruitment support, dependent on your needs:

- **Risk Free.** FutureStaff only charge a recruitment fee for a successful placement and you have 12 weeks to decide if the candidate is right for your business;
- **Money Back Guarantee.** FutureStaff guarantee that if the appointment of a permanent placement is not successful for any performance-related reason, we will provide a replacement for free. If no suitable replacement can be found, FutureStaff will happily refund the full amount less the cost of any advertising and/or profile testing;
- **Temporary Recruitment.** Temps are perfect for helping you meet deadlines, special projects, back-fill positions when staff are on leave or covering peaks in demand. We can supply temps for as long as you require and fill just about any role;
- **Permanent Recruitment.** FutureStaff will help you recruit the best candidate for your team. We advertise, screen, interview, reference check and provide you with a short list of candidates with the skill, experience and attributes you require; and
- **Try Before You Buy.** If you need a permanent staff member but want to make sure you find a suitable person before making a long-term commitment, why not trial a temp, or even a few temps first! Our published permanent placement fee would be discounted should you appoint the temp to a permanent position. The discount applied depends on the length of time the temp has worked for you.

FutureStaff's flexible recruitment fee structure varies depending on the annual salary package:

- 10% + GST for salary packages up to \$50,000 p.a.;
- 12% + GST for salary packages over \$50,001 to \$100,000 p.a.; and
- 14.5% + GST for salary packages over \$100,000 p.a.

These recruitment fees include all on-line and newspaper column advertising. An additional cost will be charged if branded 'display' advertising is requested.
